ACADEMIC DEGREES

Ph.D., Curriculum and Instruction: Arizona State University, Tempe, AZ

Concentration: Elementary Physical Education

Dissertation: Effects of Teacher Movement on Teacher Behavior of Novice and Experienced Elementary Physical Education Teachers

M.S., Physical Education: George Williams College, Downers Grove, IL

Concentration: Adult Fitness Leadership

Thesis: Effects of Exercise on Body Composition and Cardiovascular Responses in Middle-aged Women

B.S., Physical Education, B.A., Music, Andrews University, Berrien Springs, MI

Concentration: Secondary Physical Education

Minor: French

PROFESSIONAL EXPERIENCE (in reverse chronological order)

Early Childhood Curriculum Developer, Vietedutech Company, LTD, Hanoi, Vietnam

Developed a targeted 9-unit physical activity curricular outline and sample lesson plans for teachers of 3- and 4-year-olds at a childcare center in Hanoi, Vietnam. Virtual teacher training sessions were also provided for the center's teaching staff.

Early Childhood Curriculum Developer, Seventh-day Adventist Church, North American Division (NAD), Office of Education.

Revised a year-long, teacher-led movement curriculum containing comprehensive overviews for each of nine instructional units with accompanying age-appropriate sample lesson plans for Level 1 (3-year-old) and Level 2 (4-year-old) children. These activities will be implemented within the "Creation Kids Early Childhood Education Curriculum" (2.0) and used by childcare centers operated by the Seventh-day Adventist (SDA) Church throughout North America.

Founder and Director, “Kids are Made to Move”

“Kids are Made to Move” is an educational initiative designed to promote movement competency and enhance children’s fitness levels through hands-on workshops, staff development, and creation of teaching materials in a video format that can be used by classroom and physical education teachers, childcare providers, recreational professionals, homeschool leaders, and church and youth group directors.

Physical Education Consultant, Tennessee Department of Health SPARK 2 READ After-school Activity Program for Rural Schools

Created a physical activity curriculum for grades K-6 featuring literacy concepts that are taught in a movement setting. Worked individually with lead facilitators to implement this curriculum as part of the SPARK 2 READ after-school activity program in 11 rural schools in six counties throughout Tennessee. Wrote a physical activity column for a bi-monthly newsletter that was distributed to all facilitators.

Physical Education Consultant, Tennessee Department of Health After-School Activity Program for Rural Schools

Made multiple visits to eight rural schools in four counties throughout Tennessee to coordinate all aspects of the SPARK after-school activity program. This included pre-program visits to view facilities and equipment, and visits throughout the operation of the program to observe activity sessions and offer constructive feedback to program facilitators. Served as a liaison with physical activity equipment representatives and wrote a physical activity column featuring user-friendly activity ideas in a bi-monthly newsletter that was distributed to program personnel.

Editor, Section Writer, Vacation Bible Experience (VBX) programs, North American Division (NAD) Children’s Ministries, Seventh-day Adventist Church (SDA).

Revised and unified existing content, created new content for thematic programs, and reviewed and edited the entire VBX programming for children ("Cactusville"; ages 5-12) and preschool children ("Cactusville Ranch"; ages 3-4). Both programs were conducted in Vacation Bible Schools throughout North America. Served on an annual basis as the section writer for the VBX games, creating active and passive games to fit each year’s theme.

Early Childhood Physical Education Clinician, Hanoi, Vietnam

Conducted four, 3-hour workshops at three separate kindergarten facilities in Hanoi for early childhood teachers and directors

Early Childhood Physical Education Clinician, University of Singapore

Invited presenter at first annual Early Childhood Education Conference hosted by the University of Singapore. Conducted one 90-minute training session and one all-day (6-hour) workshop, Singapore.

Early Childhood and Elementary Physical Education Clinician, Southern-Asia Pacific Division of Seventh-day Adventists, Singapore

Invited presenter at the SDA Kindergarten Workshop and the Sanyu Adventist School Training Workshop. Conducted two, 1-hour workshops

Elementary Physical Education Clinician, South American Division of Seventh-day Adventists

Invited clinician at Congresso Brasileiro Adventista de Educacao Fisica, UNASP campus, Sao Paulo, Brazil. Over a 2-day period, conducted three workshops for K-12 physical education (PE) teachers.

Early Childhood Curriculum Developer and Education Specialist, Seventh-day Adventist Church, North American Division, Office of Education

Created and wrote 52 weeks of a teacher-led, movement curriculum for 3- and 4-year-olds as part of the "Creation Kids Early Childhood Education Curriculum" for use by childcare centers operated by the SDA church in North America

Early Childhood Program Developer and Curriculum Specialist, A-B-C-1-2-3, Healthy Kids in Tennessee—Let's eat well, play, and be aware, every day

Developed and implemented a hands-on educational program emphasizing healthy living that targeted childcare providers, the children they care for, and their families. Visited select childcare centers to conduct in-service sessions for childcare providers and collected health-related data to assess the effectiveness of the program to improve the health of 3- and 4-year olds.

Adjunct Professor, Department of Health and Human Performance, Middle Tennessee State University, Murfreesboro, TN

Taught early childhood physical education methods class to undergraduate early childhood education majors

Adjunct Professor, PE Health and Wellness Department, Southern Adventist University, Collegedale, TN

Co-taught an elementary school physical education methods workshop for undergraduate and continuing education credit

Elementary Physical Education Teacher, Madison Campus Elementary, Madison, TN

Taught physical education classes for all grade levels (Pre-K, K, Grades 1-8)
Directed a 6-sport intramural program for Grades K-8
Designed and supervised the creation of an outdoor teaching space for physical education

Elementary Physical Education Teacher, Tempe Adventist Christian School, Tempe, AZ

Taught multi-grade physical education classes for all grade levels (Pre-K, K, Grades 1-8)
Directed a 6-sport intramural program for grades K-8
Developed a swimming curriculum and taught swimming classes for the entire school in cooperation with the Tempe Park District
Conducted yearly fitness walkathons and bicycle rides for the student body

Elementary Physical Education Teacher, Greensboro Home Educators, Greensboro, NC

Taught weekly multi-grade physical education classes for children, ages 3–16 (Pre-K, K, (Grades 1-12)
Directed a yearly track and field event for 350 homeschool families

Elementary Physical Education Clinician, North American Division, Seventh-day Adventists, 1991- 2021

Gulf States Conference Teachers' Convention, Dadeville, AL, August, 1997
Lake Union K-8 Teachers' Convention, Berrien Springs, MI, August, 1997
Southern Union K-12 Teachers' Convention, Haines City, FL, August, 1996
Southern Union K-2 Convention, Calhoun, GA, May, 1995
Mid-America Union K-12 Teachers' Convention, Kansas City, MO, August, 1993
Southern Union K-12 Teachers' Convention, Collegedale, TN, August, 1991
Carolina Conference Teachers' In-Service, Charlotte, NC, March, 1991

Early Childhood and Elementary Physical Education Clinician for Daycare Providers, United Child Development Services, Greensboro, NC

Taught several 1-hour staff development sessions for daycare providers and modeled a variety of indoor and outdoor physical activities suitable for preschoolers

Elementary Physical Education Curriculum and Instruction Specialist, Covenant Christian Day School, Greensboro, NC

Developed a yearly physical education curriculum and weekly lesson plans for Grades 3-8 and implemented the curriculum through a series of in-service programs

Elementary Physical Education Curriculum and Instruction Specialist, Tri-City Jr. Academy, High Point, NC

Developed a yearly physical education curriculum and daily lesson plans for Grades K-6 and provided monthly in-service training for elementary classroom teachers

Elementary Physical Education Curriculum and Instruction Specialist, Bovil Elementary School, Bovil, ID

Developed a yearly physical education curriculum and weekly lesson plans for Grades K-4 and provided consulting services for elementary classroom teachers who implemented the curriculum

Visiting Assistant Professor, Division of Health, Physical Education, Recreation and Dance, University of Idaho, Moscow, ID

Instructor, Division of Health, Physical Education, Recreation, and Dance, University of Idaho, Moscow, ID

Activity Director, NCAA National Youth Sports Program (NYSP), Arizona State University, Tempe, AZ

Planned, coordinated, and supervised the daily operation of a 5-week day camp for 300 economically disadvantaged children, ages 10-16. Interviewed and hired day camp personnel, scheduled daily activities (e.g. sport skills classes, cultural and intellectual enrichment presentations) and special off-campus trips, and managed facilities for athletic and student enrichment activities.

Visiting Instructor, Department of Health and Physical Education, Arizona State University, Tempe, AZ

Instructor, Department of Physical Education, Andrews University, Berrien Springs, MI

Instructor, Department of Physical Education, Southern Missionary College, Collegedale, TN

Instructor, Department of Physical Education, Collegedale Academy, Collegedale, TN

PROFESSIONAL CERTIFICATIONS

Water Safety Instructor, American Red Cross
Advanced Lifesaving and Water Safety, American Red Cross
CPR, American Red Cross

PROFESSIONAL AFFILIATIONS

Tennessee Alliance for Health, Physical Education, Recreation, and Dance (TAHPERD)
Seventh-day Adventist Health, Physical Education, Recreation Association (SDAHPERA)

HONORS AND AWARDS

Outstanding Service Award, Seventh-day Adventist Health, Physical Education and Recreation Association
Martha Turley Memorial Volunteer Award, Mesa, AZ, Summer Swim Program
President, Seventh-day Adventist Health, Physical Education and Recreation Association
NCAA Project Director Award, National Youth Sports Program, Arizona State University

EDUCATIONAL MATERIALS

Morgan, D.H. (2014). *Innovative physical activities for children in grades 3-8*. A 2-disc DVD package with accompanying instructional manual featuring a variety of activities suitable for use in elementary school physical education classes, homeschool settings, child care centers, day camps, youth groups, and parks and recreation programs.

Morgan, D.H. (2013). *Innovative physical activities for children in grades K-2*. A 2-disc DVD package with accompanying instructional manual featuring a variety of activities suitable for use in elementary school physical education classes, homeschool settings, child care centers, day camps, youth groups, and parks and recreation programs.

Morgan, D.H. (1991). *PE lesson plans for small elementary schools*. A 6-week lesson plan packet for small multi-grade schools.

Morgan, D.H. (1991). *PE lesson plans for large elementary schools*. A 9-week referenced lesson plan packet for large multi-grade schools.

Morgan, D.H. (1991). *Elementary physical education video*. A 2-hour presentation of a wide variety of physical education activities suitable for small elementary schools with limited facilities and equipment.

PROGRAM DEVELOPMENT AND EVALUATION

Morgan, D.H. (2020-2021). Chosen to develop an early childhood curriculum for 3-to-4-year-old children attending childcare centers in Hanoi, Vietnam (owned by Vietedutech Co. LTD). My assignment is to create a 12-month curricular plan that includes nine units of instruction with accompanying age-appropriate sample lesson plans.

Morgan, D.H. (2020-2021). Revised a year-long, teacher-led movement curriculum containing comprehensive overviews for each of nine instructional units with accompanying age-appropriate sample lesson plans for Level 1 (3-year-old) and Level 2 (4-year-old) children. These activities will be implemented within the "Creation Kids Early Childhood Education Curriculum" (2.0) and used by early learning centers operated by the Seventh-day Adventist (SDA) Church throughout North America.

Morgan, D.H. (2014) Appointed to a nationwide committee tasked with designing an early childhood curriculum for 3-to-4-year-old children attending Seventh-day Adventist early learning centers. My contribution to this project was to create a physical activity component for the curriculum.

Morgan, D.H. (1991) Member, physical education evaluation team, Haverford Township, PA, school district. Responsibilities included evaluating curricula, facilities, and teacher effectiveness of Health and Physical Education teaching staff in grades K-12.
